"Teach Your Children" lyrics

# Crosby, Stills, Nash & Young Lyrics

## "Teach Your Children"

- 1 You, who are on the road must have a code that you can live by.
- 2 And so become yourself because the past is just a good bye.
- 3 Teach your children well, their father's hell did slowly go by,
- 4 And feed them on your dreams, the one they pick's the one you'll know by.
- 5 Don't you ever ask them why, if they told you, you would cry,
- 6 So just look at them and sigh and know they love you.
- 7 And you, of tender years can't know the fears that your elders grew by,
- 8 And so please help them with your youth, they seek the truth before they can die.
- 9 Teach your parents well, their children's hell will slowly go by,
- 10 And feed them on your dreams, the one they pick's the one you'll know by.
- 11 Don't you ever ask them why, if they told you, you would cry,
- 12 So just look at them and sigh and know they love you.
