- 1 Wake up Maggie I think I've got something to say to you.
- 2 It's late September and I really should be back at school.
- 3 I know I keep you amused, but I feel I'm being used.
- 4 Oh Maggie I couldn't have tried any more.
- 5 You lured me away from home, just to save you from being alone.
- 6 You stole my heart, and that's what really hurts.
- 7 2. The morning sun, when it's in your face, really shows your age.
- 8 But that don't worry me none, in my eyes you're everything.
- 9 I laughed at all your jokes, my love you didn't need to coax.
- 10 Oh Maggie I couldn't have tried any more.
- 11 You lured me away from home just to save you from being alone.
- 12 You stole my soul that's a pain I can do without.
- 13 3. All I needed was a friend to lend a guiding hand.
- 14 But you turned into a lover and, mother, what a lover, you wore me out.
- 15 All you did was wreck my bed, and in the morning kick me in the head.
- 16 Oh Maggie I couldn't have tried any more
- 17 You lured me away from home 'cause you didn't want to be alone.
- 18 You stole my heart, I couldn't leave you if, I tried.
- 19 4. I suppose I should collect my books and get back to school.
- 20 Or steal my daddy's cue, make a living out of playing pool.
- 21 Or find myself a rock and roll band, that needs a helping hand.
- 22 Oh Maggie, I wished I'd never seen your face.
- 23 You made a first class fool out of me, but I'm as blind as a fool can be.
- 24 You stole my heart but I love you anyway.
