The Pusher

You know I smoked a lot of grass E

Oh lord I popped a lot of pills

But I never touched nothin

What my spirit could kill

You know I've seen a lot of people → A

Walking around with tombstone in their eyes

But the pusher don't care, ah E

If you live or if you die

God damn hmm/the pusher E

God damn/hey I say the pusher

I say god damn god/damn the pusherman

You know the dealer, the dealer is a man E

With a lot of grass in his hand

Ah but the pusher is a monster

Good god he's not a natural man

The dealer, for a nickel lord → A

He'll sell you lots of sweet dreams

Ah but the pusher'll ruin your body E

Lord he'll leave... he'll leave your mind to scream

God damn/ahh the pusher. E

God damn, god damn the pusher.

I said god damn god, god damn the pusherman

Well lord if I were the president E all verse

Of this land you know I'd declare

Total war on the pusherman

I'd cut him if he stands and

I shoot him if he'd run and

I'd kill him with my bible

And my razor and my gun

God damn aww the pusher. E

God damn... the pusher.

I said god damn, god damn the pusherman!

Copperhead Road. -

D

Well, my name's John Lee Pettimore,
Same as my daddy and his daddy's before.
You hardly ever saw granddaddy down here
D only come to town about twice a year
Buy a hundred pounds of yeast and some copper line.

D7

Everybody knew that he made moonshine.

G

Now the revenue man wanted granddaddy bad.

D

Headed up the holler with everything he had.

G

Before my time, but I've been told.

D

You never come back from Copperhead Road.

D

Granddaddy ran whiskey in a big black Dodge
Bought it at an auction at the Mason's Lodge
Had Payne County Sheriff painted on the side
Everybody knew that he made moonshie
Well, him and my uncle tore that engine down

D7

I still remember that rumbling sound

G

Then the sheriff came around in the middle of the night

Heard mama crying that something wasn't right

G

He was headed down to Knoxville with the weekly load

D

D(d,u,d,u,d) 4x

You could smell the whisky burning down Copperhead Road.

D

I volunteered for the army on my birthday
They draft the white trash first, round hear anyway
I done two tours of duty in Viet Nam
I came home with a brand new plan
I'd take the seed from Columbia and Mexico

D7

I'd plant it up the holler down Copperhead Road

G

Now the D.E.A.'s got a chopper in the air

D

I wake up screamin, like I'm back over there

G

I learned a thing or two from Charlie don't you know.

D

D(d,u,d,u,d) 4x

You better stay away from Copperhead Road.
