

I rode my bicycle past your window last night I roller skated to your door at daylight

It almost seems like you're avoiding me I'm okay alone, but you got something I need

Well, I got a brand new pair of roller skates, you got a brand new key

I think that we should get together and try them out you see

I been looking around awhile, you got something for me

Oh! I got a brand new pair of roller skates, you got a brand new key

I ride my bike, I roller skate, don't drive no car Don't go too fast, but I go pretty far

For somebody who don't drive I been all around the world

Some people say, I done all right for a girl (Yea x 4 bab do ba)

I asked your mother if you were at home She said, yes .. but you weren't alone

Oh, sometimes I think that you're avoiding me

I'm okay alone, but you've got something I need (Back ground La Las)

Well, I got a brand new pair of roller skates, you got a brand new key

I think that we should get together and try them out you see

La la la la la la la la, la la la la la la

Oh! I got a brand new pair of roller skates, you got a brand new key

Bongo out.....
