A

Well I was rollin' by myself went down to Memphis, Tennessee

And I was lookin' for a guy who had a mullet and no teeth

D

And I was trippin' on some acid a Latino gave to me

A

Hey I was smokin' morphine 'til it knocked me off my feet

E

Then I scored some H from my old Uncle Pete

A

Now I'm startin' to feel like I might've OD'd.*

A

On an overdose of drugs overdose of sin

I'm gonna live it to the fullest like I'm on ten

D

And I love gettin' high hate bein' low

A

And I like to drive my truck down a muddy dirt road

E

And I'm workin' real hard tryin' to get paid

A

Cause I'm a Crazed Country Rebel and I'm driftin' state to state.*

A

Somehow I made it up to Texas with a carload full of grass

And I'm seeing all these pigs who wanna bust my ass

D

And I'm always livin' hard always smokin' weed

A

Now I'm hangin' out in Texas drinkin' mushroom tea

E

And I'm fucked up on the floor think I know why

A

Must've been some of that Boone County moonshine.*
