

CRY CRY CRY by Johnny Cash

C
Everybody knows where you go when the sun goes down

I think you only live to see the lights uptown
D7 G7

C
I wasted my time when I would try try try

F
'Cause when the lights have lost their glow

G7 C
You'll Cry Cry Cry

Soon your sugar daddies will all be gone

D7 G7
You'll wake up some cold day and find you're alone

C
You'll call for me but I'm gonna tell you bye bye bye

F G7 C
When I turn around and walk away you'll Cry Cry Cry

C
You're gonna Cry Cry Cry and you'll cry alone

F C
When everyone's forgotten and you're left on your own

G7 C
You're gonna Cry Cry Cry

I lie awake at night to wait till you come in
You stay a little while and then you're gone again
Every question that I ask I get a lie lie lie
For every lie you tell you're gonna Cry Cry Cry

When your fickle love gets old no one will care for you
Then you'll come back to me for a little love that's
true

I'll tell you no and you'll ask me why why why
When I remind you of all of this you'll Cry Cry Cry

You're gonna Cry Cry Cry and you'll want me then
It'll hurt when you think of the fool you've been
You're gonna Cry Cry Cry
