

Maybe someday I'll be strong,

FAST AS YOU

Maybe it won't be long.

A

I'll be the one who's tough,

E

You'll be the one who's got it rough.

F# A E

It won't be long and maybe I'll be real strong.

E

Maybe I'll do things right,

Maybe I'll start tonight.

A

You'll learn to cry like me,

E

Baby, lets just wait and see.

F# A E

Maybe I'll start tonight and do things right.

A

You'll control me, and oh, so boldly,

E

Rule me 'til I'm free.

A

'Til the pain that shakes me,

B

Finally makes me get up off my knees, yeah yeah yeah.

E

Maybe I'll be fast as you,

Maybe I'll break hearts too.

A

But I think that you'll slow down,

E

When your turn to hurt comes around.

F# A E

Maybe I'll break hearts and be as fast as you. Ahhhhhh..

A

You'll control me, and oh, so boldly,

E

Rule me 'til I'm free.

A

'Til the pain that shakes me,

B

Finally makes me get up off my knees, yeah yeah yeah.

E

Maybe I'll be fast as you,

Maybe I'll break hearts too.

A

But I think that you'll slow down,

E

When your turn to hurt comes around.

F# A E

Maybe I'll break hearts and be as fast as you.

F# A E

Maybe I'll break hearts and be as fast as you. A Ahhhhhh, so good....
