

One Horse Town      BB smoke

In the tiny town where I come from    You grew up doing what your daddy done

And you don't ask questions you do it just because    You don't climb to high or dream too much

With a whole lot of work and a little bit of luck    You can wind up right back where your daddy was

This little bitty town it ain't nothing new    We all stick around    cause they all tell us too

Swallow your pride    just to make your family proud

If I didn't think that it would shut the whole place down

I'd ride my pony right out of this one horse town    Yeah this one horse town

I'm an old married man at the age of twenty three    Got two little boys on the baseball team

And that might be their only ticket out    All they got is a worn out name

And a daddy that could've gone all the way    But I hung my saddle up and I settled down

This little bitty town,    oh it ain't nothing new    We all stick around    cause they all tell us too

Swallow your pride just to make your family proud

If I didn't think that it would shut the whole place down

I'd ride my pony right out of this one horse town    Yeah this one horse town    yeah this one horse town

Solo

This little bitty town, oh    yeah it ain't nothing new    We all stick around 'cause they all tell us too

Swallow your pride    just to keep your family proud

If I didn't think that it would shut the whole thing down

I'd saddle that one horse and ride it right out of this town
