

A worried man with a worried mind      No one in front of me and nothing behind  
There's a woman on my lap and she's      drinking champagne  
Got white skin, got assassin's eyes      I'm looking up into the sapphire tinted skies  
I'm well dressed,      waiting on the last train  
Standing on the gallows with my head in a noose      Any minute now I'm expecting all hell to break loose  
People are crazy and times are strange      I'm locked in tight,      I'm out of range  
I used to care,      but      things have changed  
This place ain't doing me any good      I'm in the wrong town,      I should be in Hollywood  
Just for a second there      I thought I saw something move  
Gonna take dancing lessons do the jitterbug rag      Ain't no shortcuts,      gonna dress in drag  
Only a fool in here would think he's got anything to prove  
Lot of water under the bridge, Lot of other stuff too      Don't get up gentlemen, I'm only      passing through  
People are crazy and times are strange      I'm locked in tight, I'm out of range  
I used to care,      but things have changed  
I've been walking forty miles of bad road      If the bible is right,      the world will explode  
I've been trying to get as far away from myself      as I can  
Some things are too hot to touch      The human mind can only stand so much  
You can't win with a losing hand  
Feel like falling in love with the first woman I meet  
Putting her in a wheel barrow and      wheeling her down the street  
People are crazy and times are strange      I'm locked in tight, I'm out of range  
I used to care, but things have changed  
I hurt easy, I just don't show it      You can hurt someone and not even know it  
The next sixty seconds could be like an      eternity  
Gonna get low down, gonna fly high      All the truth in the world adds up to one big lie  
I'm love with a woman who don't even appeal to me  
Mr. Jinx and Miss Lucy, they jumped in the lake      I'm not that eager to make a mistake  
People are crazy and times are strange      I'm locked in tight, I'm out of range  
I used to care, but      things have changed
